AMISOM20170207

**Job Title**

Facilities Management Officer

**Organization**

The African Union, established as a unique Pan African continental body, is charged with spearheading Africa's rapid integration and sustainable development by promoting unity, solidarity, cohesion and cooperation among the peoples of Africa and African States as well as developing a new partnership worldwide. Its Headquarters is located in Addis Ababa, capital city of Ethiopia. In seeking to achieve these objectives, the African Union intends to strengthen its capacity to deliver by, among others, the implementation of new organization structure and the filling of regular and short-term vacant posts.

**Department**

Job Title: Facilities Management Officer  
Grade: P2 Step 5  
Section: Service Support  
Reports to: Chief Integrated Support Services  
Duty Station: Mogadishu, Somalia  
Number of Post: 1

**Project**

Within delegated authorities, the Officer is responsible for the effective and efficient management AMISOM facilities throughout Somalia and the implementation of corrective action with respect to issues/problems

**Tasks**

- Liaise with the Head of Mission Support, Chief Integrated Support Services and the UN Support Office for Somalia (UNSOS) regarding facilities maintenance and repair;

- Coordinate and supervise facilities maintenance support services (scheduled and unscheduled) provided through the designated UNSOS external contractors at the Mission, Force and Police headquarters.
- Review the technical specifications, scopes of work and the respective cost estimates and monitoring work implementation and progress to ensure the compliance with the set out specifications.
- Coordinate and manage the construction, repair, and maintenance at the Mission, Force and Police Headquarters and any other AU facilities within the Mission Area;
- Assist in the development and execution of renovation projects including analysis of functional needs and recommending alternative solutions.
- Produce, as requested, short-term, and/or long term 'Planned Maintenance Programme' (PMP) for the Mission, Force and Police Headquarters and any other AU facilities within the Mission Area.
- Coordinate maintenance services, systems and equipments of AU facilities such as routine maintenance, ground maintenance, waste management and disposal, minor repairs or general handyman services and cleaning.
- Supervise and oversee ground maintenance including gardening, landscaping and weed control, maintenance of Air conditioning, carrying out Pest and Vector control, Indoor and outdoor cleaning services and maintenance of ablutions,
- Overseeing the Solid and liquid waste management and disposal (garbage collection and disposal services)
- Ensuring that all facilities utilized by AU personnel comply with AU MOSS standards.
- Coordinating with AMISOM Safety and Security for regular and scheduled safety inspections of facilities, safety drills, reports and investigations of accidents, and recommending correction of safety hazards.
- Perform any other responsibility as may be assigned by the immediate supervisor (s).
