Job Title

PROCESS IMPROVEMENT PROJECT MANAGER

Organization

The African Union, established as a unique Pan African continental body, is charged with spearheading Africa's rapid integration and sustainable development by promoting unity, solidarity, cohesion and cooperation among the peoples of Africa and African States as well as developing a new partnership worldwide. Its Headquarters is located in Addis Ababa, capital city of Ethiopia.

In seeking to achieve these objectives, the African Union intends to strengthen its capacity to deliver by, among others, the implementation of new organization structure and the filling of regular and short-term vacant posts.

Department

1. Post:
Job Title: Process Improvement Project Manager
Grade: P3 step 5
Number of Post: 1
Supervisor: Director AHRM
Department: Administration and Human Resources Development
Duty Station: Ethiopia, Addis Ababa

Project

2. Purpose:
The African Union, established as a unique Pan African continental body, is charged with spearheading Africa's rapid integration and sustainable development by promoting unity, solidarity, cohesion and cooperation among the peoples of Africa and African States as well as developing a new partnership worldwide. The Institution has

the ambition to further enhance its effectiveness and efficiency to constantly adjust its operations to the evolving needs of the African citizens and drive the Continent's integration and the institutional transformation process, a prerequisite for organization capacity and systems enhancement, which is required to support it.

In support of the AUC's 2014-2017 strategic plan and Agenda 2063, and all essential elements for the success of the AU Vision, the African Union Commission has received a grant from the International Development Association (IDA) to strengthen and develop its own and other African Union Organs' Capacity. In that regard, the AUC Administration and Human Resources Management Directorate (AHRMD) is undertaking several capacity development initiatives to modernize its systems to enable it to deliver on the AU mandate and vision of being "An integrated and prosperous Africa at Peace with itself".

Currently, the Commission is undertaking an in-depth review of the AUC's organizational structure that fully mirrors the requirements of the strategic directions of AU and its organs. AUC has identified opportunities of improvement to ultimately achieve its 2014-2017 Strategic Plan and Agenda 2063. It is in that regard that the AUC is seeking to hire an experimented Process Improvement Senior Officer.

Tasks

3. Main Duties and Responsibilities:

- Organize, facilitate and monitor the Continuous Improvement Team's activity;
- Diagnose the current activity, identify current obstacles and propose areas of continuous improvement;
- Contribute to the development of the Commission's performance management system policy;
- Operationalize the performance improvement policy;
- Develop and lead the process of performance improvement;
- Define objectives, break them down into annual objectives for each department (Key Performance Indicators, NPS - Net Promoter Score);
- Identify, develop or redefine procedures for implementing the workflow within the Commission;
